# Saving at Restaurants and Other Merchants

Follow these easy steps when using your SaversGuide® membership card at participating restaurants and merchants.

## 1 Choose

Use the SaversGuide® in your Garmin GPS or Garmin Mobile to locate a participating restaurant or merchant.

## 2 Present Your SaversGuide® Membership Card

When ordering or making a purchase, present your SaversGuide® membership card. When the waiter/cashier sees  entertainment, 20% will be taken off your bill (excluding tax, tip, alcoholic beverages, and sale items, where applicable), up to \$25 maximum savings. Tips for satisfactory service should equal 15% to 20% of the total bill **before** the discount is subtracted.

## 3 Take Advantage of Ongoing Savings

Use your SaversGuide® card as often as you like. The 20% discount is applied each time you make a purchase at participating merchants.

# Saving at Hotels

Follow these steps to save up to 50% off your hotel stay nationwide!

## 1 Choose

Use the Lodging category of your SaversGuide® in your Garmin GPS or in Garmin Mobile to find a participating hotel anywhere in the US.

## 2 Call

Call the hotel of your choice at the number indicated in your GPS directory to make an advance reservation. **Be sure to identify yourself as an “Entertainment® Member.”**

As a member, you are entitled to a 50% discount off the full-priced (rack) room rate or 10% off any special promotional rate (available to the general public), whichever provides the greater value—subject to availability.

Reservations with the Entertainment® discount will be accepted until the hotel projects 80% of their rooms to be sold for your requested dates.

If “R30” appears in a hotel’s listing, the hotel will only accept reservations when made within 30 days of arrival.

## Confirm

Confirm your reservation and discounted room rate by asking for a confirmation number and the reservationist's name. Be sure to ask for the hotel's policy on deposits, cancellations, and late arrival guarantees. Entertainment Publications, Inc. does not control the hotel's management policy. Advance reservations are necessary to use the Entertainment® discount.

## Check-In

At check-in, present your SaversGuide® membership card with the  logo for your hotel discount.

**When making advanced reservations, be sure to identify yourself as an “Entertainment® Member.”**

## ***Rules of use for restaurants and other merchants***

- Read the offer carefully for stated conditions, restrictions, and exclusions. All offers are valid anytime except on defined holidays or unless the offer states otherwise. These additional conditions supersede other rules of use.
- Read the offer carefully for valid dates and times. Major holidays, including those below, and regional holidays observed by participating merchants, are excluded, even if the offer states “valid anytime”: New Year’s Eve/Day, Valentine’s Day, St. Patrick’s Day, Easter, Mother’s Day, Father’s Day, Thanksgiving, and Christmas Eve/Day. Please check with the merchant regarding other holidays.
- Only one SaversGuide® membership card may be used per party, and separate checks are not allowed. Entertainment® discounts may not be used in conjunction with other promotional discounts and cannot be applied to children’s menu items, discount-priced daily specials, senior citizen rates, Early Bird specials, carryout/takeout, and/or buffets, unless otherwise noted. The discount will be applied only to the food portion of the bill, and discounts on alcohol are prohibited.
- Tipping for satisfactory service should be 15–20% of the total bill **before** the discount amount is subtracted.
- Discounts exclude tax, tip, alcohol, and/or sale items, where applicable.
- All merchant information is valid as of the date of publication.

## ***Rules of use for hotels***

- Advance reservations are required, and you must present your SaversGuide® membership card with the  entertainment logo at check-in to obtain your discount.
- Entertainment® rates do not apply to walk-ins, group/convention rates, packages, travel agency bookings, special amenities, taxes/fees, meal plans, or Internet rates, and cannot be combined with any other discount rate programs. All rates are subject to availability.
- Reservations with the Entertainment® rate are accepted until the hotel projects to be 80% or more occupied on your selected dates. As a result, the discount may not be available for your entire stay as occupancy varies on a daily basis. This applies to the 50% off rack or 10% off promotional rates.
- Due to limited availability, hotels offering discounts on “any room” may exclude special room types such as suites, concierge, and premium rooms.
- Only one room can be discounted per SaversGuide® membership card, and the card is non-transferable.
- Hotels participate in the program on an individual basis. You must call the number listed in the SaversGuide® and state that you are an “Entertainment® Member” to be eligible for the Entertainment® rate, if available.
- If the Entertainment® rate is not available, check alternate dates, call back closer to your travel date, or contact other hotels listed for that area.

- Remaining flexible on your travel dates offers the greatest opportunity for the Entertainment® rate. Discounts may not be available for every night of your stay, especially if traveling during peak seasons, holidays, conventions, or special events (such as Mardi Gras, Race Weekends, and New Year's Eve).
